SONG TITLE: Tribal Calling

**SONG SYNOPSIS:**

What would be like to live in an ancient tribe in the jungle? This song is about one type of event in the life of a possible tribe. The music here illustrates a TRIBAL CALLING in which this particular jungle band wants to collect its people together in order to protect them from some sort of danger. You will hear jungle animals (e.g., monkeys, elephants, birds...) that are excited by this tribe's ritual.

At the beginning of the song, everything is calm, but eventually the tribe's calling starts a crescendo of excitement in order to call the tribe's attention to assemble. At the end of the song, you hear the tribe as it moves to its strategical place of security.
