SONG TITLE: Alterations

SONG SYNOPSIS:

Have you ever imagined what the birth of a star or planet might be like? This song might help to liven the images of this massive event in your mind. In the beginning of this song, you will witness its birth. Eventually, the music will reflect the everlasting changes that take place in its formation. The infinite continuity of the existence of this planet or star is illustrated toward the end of the song. These are the ALTERATIONS that have taken place in the existence of a new star or planet as demonstrated in this song.
