SONG TITLE: The Piano Calls Me

SONG SYNOPSIS:

Since I was only 5 years old, I have always been drawn to the piano. THE PIANO CALLS ME, and asks me to play it.

When I was in Kindergarten, I used to imagine that the top of my desk in school was like a piano, and I moved my fingers on top of the desk. My teacher asked me what I was doing, and I said, "I'm playing the piano."

I never learned how to formally play the piano, but I taught myself to do so by memorizing all of the sounds that the different keys make. Now I play the piano by ear. I've played in Madrid, Rome, Seattle, and La Coruña.
