SONG TITLE: Polynesian Market

**SONG SYNOPSIS:**

If I were to imagine what a POLYNESIAN MARKET is like, then this song is a good example of what it would be like. It is lively and characterizes the activity in a local market of farmers and townspeople. This song gives you the feeling of pushing through lots of people in order to look at all of the different kinds of products that are available in this market. Moreover, you can imagine all of the different smells of good food to eat.
