SONG TITLE: It's All Over

SONG SYNOPSIS:

What does it feel like when you end a personal relationship with someone? Your feelings go up and down. Sometimes you feel the pain of making a final decision to end the relationship. However, there is also a sense of relief when you know that IT'S ALL OVER.

Listen to these emotions as they fly through this music. At the end of the song you will hear the protagonist weeping as she feels deeply affected by this separation. But, the sound of her footsteps as she walks away tells you that she moves forward because life goes on.
