SONG TITLE: Here Comes Her Majesty

SONG SYNOPSIS:

Have you ever witnessed the arrival a real live royal Queen? If not, maybe you will feel what it's like to actually see a Queen pass you by in her royal car after she has left her Royal Palace. Hundreds of people are waiting for her to pass by in her limousine.

This song is full of anticipation and longing to see her. It's a unique experience for many people. The music builds with a crescendo as you are waiting to witness her presence. Suddenly, you realize that her car is approaching and that she is going to pass by the crowd of people waiting to see her. Someone announces out loud, "HERE COMES HER MAJESTY!", and all the people start to clap and shout "hooray".

You see her in a flash as she passes you by, and the music slows down as she starts to disappear in the distance. Experience this sensation by listening to this song. Maybe one day you will see Her Majesty pass "you" by. You never know.
