SONG TITLE: Life is Like That

## **SONG SYNOPSIS**:

Simply put, life is not easy. It has its ups and downs. You never know what life is going to give you, but you have a choice in order to decide how to react to it when it gives you something difficult to deal with. Life is full of emotions. No two emotions are ever the same. You might feel extremely sad when someone passes away, but at the same time relieved because they are no longer suffering. This is a conflict of emotions that we experience sometimes. This music will make you realize that LIFE IS LIKE THAT. It just is.
